

REMARKS

Favorable reconsideration of this application is requested in view of the following remarks. Claims 1-5 and 7 are pending in the present application. No new matter has been added.

The Examiner objected to claims 1 and 7 become of some informalities, particularly that the preamble and method steps of claim 1 are somewhat ambiguous and that the word "etc." in claim 7 is indefinite. The Applicant respectfully disagrees; however, the Applicant has amended claims 1 and 7 to more clearly define his invention. As such, Applicant respectfully requests that the Examiner reconsider and withdraw his objections and allow the pending claims.

CONCLUSION

In view of the above arguments, it is submitted that the claims are in condition for allowance. Reconsideration and withdrawal of the objections is kindly requested. Allowance of all pending claims is respectfully submitted.

Respectfully Submitted,

KOASHI.
